

Musethica Israel End of 2016 Celebration

Dear Friends,

As we approach the end of 2016, I am pleased to update you on the diverse activities of Musethica Israel. Following the successful Festival which ended last month, we are looking forward to additional two weeks of intense activity.

During Musethica week in the Western Galilee, which took place last week, Musethica Quartet was hosted by "Keshet Eylon" in Kibbutz Eylon, and worked under the guidance of violinist Roi Shiloah – member of the renowned Jerusalem Trio and faculty member of the Jerusalem Music and Dance Academy. During the week, the Quartet gave ten concerts in schools of autistic children and of special education in the Acre area and in Ein Hamifratz, in Manof youth village in Acre, in a hostel for adults with function disabilities, in an old age home and in an institute for Alzheimer's disease patients. The Quartet also performed in a concert for the participants of the string musicians in the winter seminar organized by "Keshet Eylon".

Musethica week in Beer-Sheba will take place during Hanukah at the end of December, with the participation of a string trio under the guidance of the violist Avri Levitan. The trio will give ten concerts in institutions for people with special needs and those who have no accessibility to concert halls: Home of the Blind, Center for mental care, "Aleh Negev - Nachlat Eran" rehabilitation center, autistic patients in "Kfar Hairussim", mentally challenged patients, and more.

At the end of this week we will hold a festive concert for the public at Inga Galley of Contemporary Art in Tel Aviv. This concert will mark both the summing up of this week of performances and Musethica's activities for 2016.

We invite you to celebrate with us the end of this rich and creative year which was characterized by incredible and unique relations and by many moving experiences. **The concert will take place on Thursday December 29 at 20.00 in Inga Gallery, 7 Bar Yochai St. Tel Aviv.**

We will be delighted to have you with us, and would appreciate your confirmation by December 26. Our mail address is: musethica-israel@musethica.org.

With great appreciation and all best wishes,

Orit Naor
